[Final Jeopardy!](#)

3

PhD RIP: \$100

The deadline for RIP proposal

When is the end of the 2nd semester?

4

PhD RIP: \$200

The deadline for RIP defense

When is the end of the 2nd year?

5

PhD RIP: \$300

This optional RIP milestone may be required by your committee by the middle of the 4th semester

What is a RIP progress report?

6

PhD RIP: \$400 

The consequence of a negative outcome at the second RIP milestone

What is a one-semester departmental probation?
(The 2nd milestones refers to the RIP progress report if it is required, or the RIP defense otherwise.)

7

PhD Prelim: \$100 

The suggested year in which the preliminary exam should be passed

What is the 3rd year?

8

PhD Prelim: \$200 

The hard deadline for passing the preliminary exam

What is the end of the 4th year?

9

PhD Prelim: \$300 

The minimum size of a committee for PhD prelim/defense (incl. the advisor)

What is 4?
(At least 3 must have appt. in Duke CS; at least one must be from outside Duke CS or have appt. in another dept.)

10

PhD Prelim: \$400 

If a student wants to extend the deadline for prelim beyond the 3rd year, approval from this person is required

Who is a dean of the Graduate School?
(There is NO guarantee that an extension will be approved!)

11

PhD Dissertation: \$100 

At a defense, these individuals remain in the room after the student finishes fielding public questions from the audience

Who are the student and the committee members?

12

PhD Dissertation: \$200

The deadline by which a student must deliver the full dissertation to all committee members before the defense

When is 4 weeks before the scheduled defense date?

13

PhD Dissertation: \$300

With this request, you can make your dissertation inaccessible to public for a period of time

What is an *embargo*?

14

PhD Dissertation: \$400

The only explanation for a student to fail the defense with 4 affirmative votes and only 1 negative vote

What is when the advisor casts the negative vote?

15

PhD Quals: \$100

The number of quals credits needed to satisfy the qualification requirement

What is 4?
(And at least 1 from each of the 3 groups.)

16

What is 50 (percent)?

19

PhD Course/Teaching: \$100

The deadline for completing the PhD course requirement

What is before graduation?

20

PhD Course/Teaching: \$200

The minimum number of courses required for a PhD student by the end of the second year

What is 5?

(Satisfying the quals requirements implies 4 courses, so you really just need one more!)

21

PhD Course/Teaching: \$300

Receiving this rating from the Teaching Excellence Committee for a semester of teaching service means another semester of teaching service is required

What is "unsatisfactory"?

22

PhD Course/Teaching: \$400

By this time, every PhD student must have participated in the "teaching mission" at least once?

What is the end of the third semester?

(Most PhD students TA twice during the first two years.)

23

MS Req.: \$100

The number of "regular" courses outside CS needed for MS

What is 2?

24

MS Req.: \$200

The two options for satisfying the MS research requirement

What are thesis and project?
(The thesis option requires approval and submission of a properly formatted thesis to the Graduate School.
The project option requires a written report.)

25

MS Req.: \$300

The minimum number of MS committee members with appointment in Duke CS

What is 2?
(The committee should also have at least one member from outside Duke CS or have appt. in another dept. The minimum committee size is 3.)
