A Series of Haikus about Computer Science

Tejas Kashyap (tvk3)

The Quest for Green

I will get all green!

Ugh what are all these errors

Indubitably

The Most Stressful Experience

One Fifty Nine AM

Sweating bullets to turn in

Deadline extended

What is the Purpose?

What is the purpose

Of tuples I said before

The dict dot items()

Coffee

I get some coffee

I start the new A P T

I get more coffee

Workout

I worked Comp Sci now

Yes I shall work out ... later

Ten years...I am fat

Choices

Ever since Comp Sci

All life choices divided

Into if-else code
