

A Series of Haikus  
by Matthew

On APTs:

As I lay in bed  
Stare at the screen full of green  
Time to fall asleep

On Assignments:

Have to snarf to start  
Go to office hours and code  
Check outputs with friends

On Reading Quizzes:

Skim and hope you're right  
How many tries will it take  
To stop that mistake

On Google Forms:

Did it take too long?  
Who helped me, websites, people?  
So what are my thoughts?

On CS 101:

Great fun to be had  
Learning about many things  
Great class overall
