

Computer Science 101: A fine selection of Haiku's

1.

Computer Science

I really love APT's

They make me happy

2.

Improving on code

Labs on Thursday are the best

Groups work together

3.

Computer Science

Can be tough for some people

Thankfully not me

4.

Assignments were tough

They really grinded my gears

But improved my code

5.

Studying for tests

Was tough through the semester

I did not use books

6.

Thank you to
Our Susan Rodgers
She is bae

7.

Compsci is
A challenging course
We got this

8.

Max, my bad
I hope I don't loose
Hangman's harsh

9.

Lectures are
Very important
So don't skip

10.

Overall
I enjoyed this class
Dankeschön
