Computer Science 101

Assignment 9: Song, Dance, Poem, Story, Comic

A Haiku, by Henry

Computer Science-

What a meaningful journey

2-0-1, yes please.

A-P-T's are hard

They take so much time to do

But hey, no more now

I thought I could code

When I drew the totem poles

No, much more to learn

(3 stanzas, 5-7-5 syllable format)
