Review: Sample Exam Questions
September 24, 2020

Prof. Susan Rodger

Today is all about practicing writing code

- Note some of these questions are from old exams that included topics that we have not covered. I have rewritten them so that those topics are no longer in the question.

Try out GradeScope

- Login to gradescope.com
  - Look for school credentials and select Duke
  - Use netid to login

- Take the "Practice Review for Exam 1"
  - 6 questions – about 20 minutes
- Fill out link when you are done
