

## **New Skill**

Python? What is that?  
Perhaps I will take a class  
To understand more.

## **Green**

Fifteen test cases.  
Are they all green? I hope so.  
Drat! The last is red!

## **AAARRRGGHHH!**

Why doesn't it work?  
I swear I checked everything.  
Absent: One colon.

## **EUREKA!**

I think I'm finished.  
Time to run my code and see.  
Recommender works!

## **MOVING FORWARD**

Java? What is that?  
Perhaps I will take a class  
To understand more.
