APTs were cool,
They were a fun but hard task,
I liked SandwichBar.

Haiku 2:

WOTOs were helpful,
Breakout rooms were very nice,
I met Duke students.

Haiku 3:

Assignments were hard,
Office hours saved my life,
I dislike Hangman.

Haiku 4:

Comp sci 101,
One of the best classes here,
I enjoyed the class.

Haiku 5:

Professors are good,
They help you learn the content,
TAs are nice too.

Haiku 6:

I will miss pycharm,
Together, we did a lot,
Coding in python.

Haiku 7:

This is the last task,
Other than the last exam,
I will miss lecture.

Haiku 8:

Sad we have to leave,
Comp sci will be in our hearts,
Semester was good.
