

Assignment 7  
Comp Sci 101

While loops

Keeps going forever  
Please make it stop! Oh but how?  
It must be made false!

Python Tutor

Visual learner  
This smart tool is my best friend  
Helps me see my code

APTs

Only five to do  
Time is ticking – I see red  
Thank god for grace day

Assignments

Directions so long  
Where do I even start? Ah!  
It is not so bad

Sets

Deletes the repeats  
Only room for the unique  
Exclusive it be
