1. An Ode to For Loops

Oh precious for loop
How you make my life easy
With iteration

2. An Ode to Dictionaries

Dictionary love
Collection of keys and vals
The key to my heart

3. An Ode to Python Tutor

Hi Python Tutor
Step by step you help me shine
Catching my mistakes

4. An Ode to Sets

Sets are your best friend
Repetition they remove
Joining they can do

5. An Ode to Recursions

What is recursion
I still cannot understand
But one day I will
