

Haiku #1

Solved an APT
All are green except for one
Now time to debug

Haiku #2

CS Assignment
Should have started long ago
Bless grace period

Haiku #3

Turned in on Gradescope
Oh shoot, did I submit the
Reflect form on time?

Haiku #4

```
for student in class:  
    if study_hard == True:  
        grade = A
```

Read as:

```
For student in class:  
    If study hard equals True  
        Grade is assigned A
```
