Assignment 7: Create
CompSci 101 Haikus

Haiku 1: "WOTO Fun"

Today in lecture
Waiting for the cool WOTO
Working with my friends

Haiku 2: "Python Rocks"

Python is useful
Modules, functions, main code block
Interact to run

Haiku 3: "Lab Time"

Lab is on Friday
Do not forget the pre-lab!
We learn together

Haiku 4: "For Loop Fun"

For loops are so fun
Loop over iterables
Can accumulate!

Haiku 5: "Sets, sets, sets"

Sets are so unique
Intersection, union, add
They are not ordered
