CompSci 101 Haikus

For loop and while loop,

Oh, which should I choose today?

They both can work here.

If, else if, and else,

Is there a better trio?

I don't think there is.

No! Syntax error.

Oh! What could have gone wrong here?

Forgotten colon.

APT all red,

Need my boxes of green now,

Change return to string.

Hey turtle, turtle,

Why do you not draw for me?

Color set to white.
