December 2022

## Assignment #7

Chosen submission: Haikus

### Haiku 1

Computer Science  
Needs not just mental knowledge  
Google is savior

### Haiku 2

Staring at my screen  
None of my trials turn green  
Now it's time to scream

### Haiku 3

My eyes are tired  
I've been working for too long  
Time to take a break
