

**Creativity, problem-solving, and perseverance intersect**

**Only in this course**

**My happiness is infinite when I get my APTs correct**

**Pycharm I do endorse**

**Susan is such a queen**

**Computers occupy each dream**

**I do so love seeing green**

**With every passing lecture,**

**Obviously I complete every single one,**

**The complexity of each function is like architecture.**

**Oh yay! Today there is not a ton.**
