

Ugh, this assignment has taken me hours! Thank god I only have to write this one last loop.

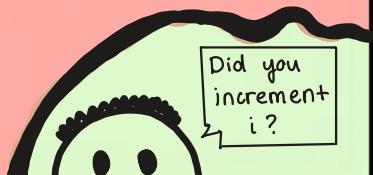

```
while i < 5:  
    print(i)
```

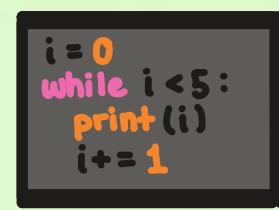

AHHHHHH

Oh no oh no
oh no!!! What
am I going to
do!? I have no
more grace days!

Did you
increment
i?

```
i = 0  
while i < 5:  
    print(i)  
    i += 1
```

I love
