Tears of Compsci

Compsci Oh Compsci

How you've made me cry

Tears of frustration

Tears of joy

These bugs have no remorse

The autograder stays its course

I swear I've tried everything

But it's never a sure thing

Compsci Oh Compsci

How you've made me cry

Tears of frustration

Tears of joy

I finally figured it out!

I could just scream and shout!

The solution was so obvious

And the bug so devious

Compsci Oh Compsci

How you've made me cry

Tears of frustration

Tears of joy
