

This is Dave.
Dave doesn't
sit in the back 4 rows

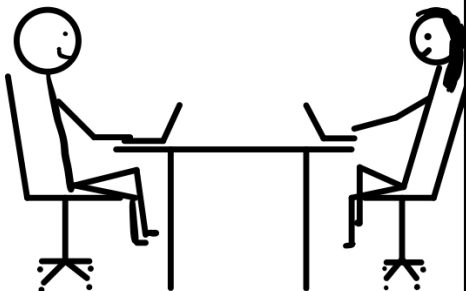

Dave comes to every lecture
and WOTOS with his friend Sandy

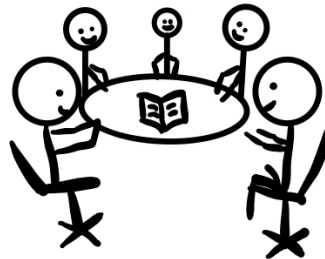

Dave is active in Discussion
and always reads the pre-Discussion

Dave starts every
assignment a little early
and only uses grace sometimes

Dave studies hard for
the midterms but doesn't
think grades define his success

Dave forgot to fill out
a single reflect form
the entire year and
fails the class.
