Getting a Friend to put your netid on the WOTO

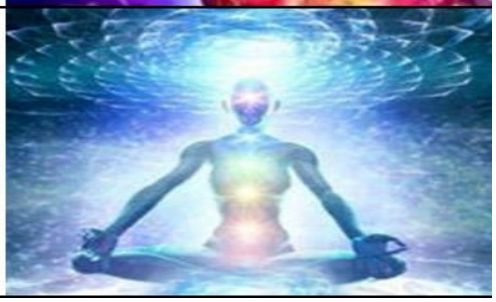
Sitting in the middle of Griffith doing the APTs during class

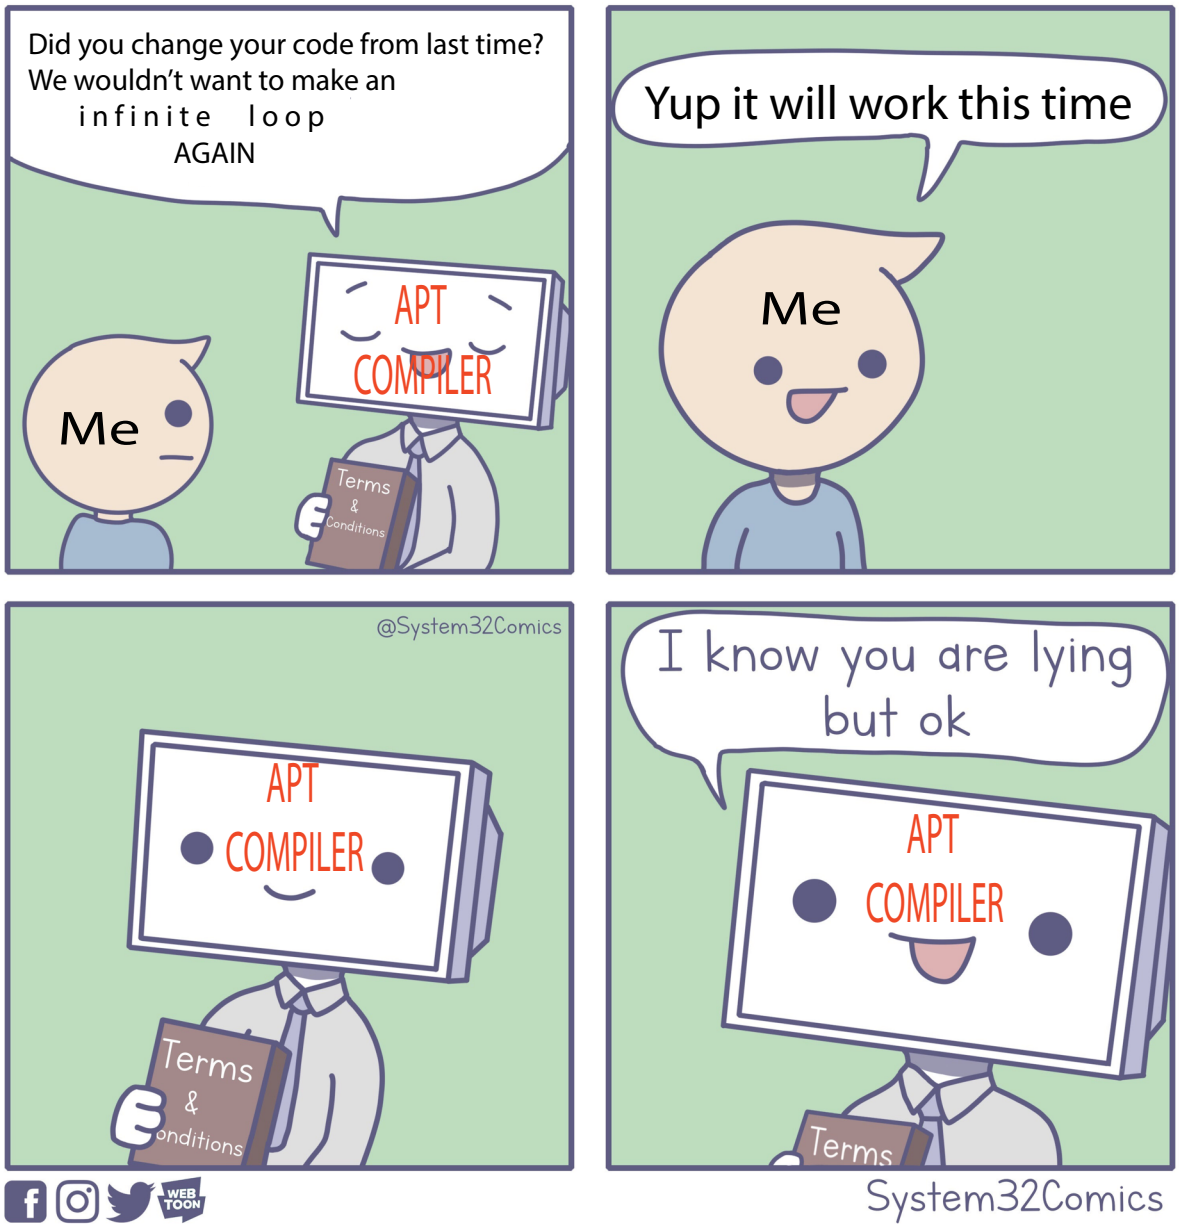
Paying attention and getting 100% on the WOTO

Raising your hand to answer Prof. Rodger's questions

Asking intelligent questions after class

Completing the APTs without referencing the code from lecture





Did you change your code from last time?
We wouldn't want to make an
infinite loop
AGAIN

Woah.
This is worthless!
