The alarm rings! Ten.

I'm on East. Class starts in five—

I'll be late again.

### Assignments

My partner and I,

Just vibing. Uh oh! It's ten.

And today's grace day.

### Classes

Time for class! Run. Weave.

Superhero jump. I'm here :)

Aw, friends saved a seat.

### APTs -

Thankyou gods above,

For one day grace periods—

Change from 101.

## **CS201**

So many topics covered,

Sad to see it end.
