

Name: Anthony Li  
NetId: ajl89

Haiku #1:  
Failed an APT  
Just spent six hours debugging  
Shoot, just the wrong name.

Haiku #2:  
MacBook slips from grasp.  
Shattered screen and shattered dreams  
The grace period ends.

Haiku #3:  
Seven out of ten  
Righted my wrongs in the code  
Now five out of ten

Haiku #4:  
Wall Street does sound nice,  
But Bay weather beckons me  
Comp Sci it is, then.

Haiku #6:  
What truly is love?  
Love is excused WOTO points,  
Love is green full screen.
