<u>Haiku #1</u>

Have keys and values,

Better than lists, sets, tuples,

You must use the dics.

<u>Haiku #2</u>

Love lambda functions,

They make sorting so easy,

Also, it is short.

<u>Haiku #3</u>

Five exams per term,

Plus, two APT Quizzes,

No time to have rest.

<u>Haiku #4</u>

My laptop broke down,

Hate coding in loaned laptops,

Hate it more in Macs.
