A screenshot of a code editor with a dark background. On the left, there is a vertical line with two small square icons, one above the other. The code is written in a light-colored font. The first line is 'def assignSeven():' with 'def' in orange and 'assignSeven()' in green. The second line is 'if codingIsFun is True:' with 'if' in orange, 'codingIsFun' in green, 'is' in orange, and 'True' in green. The third line is 'return 'live, love, code'' with 'return' in orange and the string in green. The code is indented under the 'if' statement.

```
def assignSeven():  
    if codingIsFun is True:  
        return 'live, love, code'
```
