Started in the Spring

Didn't know if I could code

Now I might major?

APTs were fun

Made me feel like I'm that guy

Boosts of dopamine

Things due at 11:30

But wait there is a grace day

The due date's a lie

Hi Chat GPT

I do not use you to cheat

But to look things up

CS: pretty cool

But how's it used in a job?
