

Jacob Steiner
Assignment 7 CS101

Haiku 1:

Python

Not a scary snake,
It is a coding language.
Fun to learn and use!

Haiku 2:

APTs

Given a problem,
Use your knowledge and solve it.
Pure satisfaction!

Haiku 3:

WOTOs

Working together,
Answering forms in lecture.
Practicing concepts.

Haiku 4:

PyCharm

Type python in it,
Run the code in an instant.
An output is seen!
