

Reflecting on Computer Science 101

goals

- do my best
- learn a new skill
- make new friends with different interests
- connect CS with my field of study
- SOON! try a coding project on my own

```
def VictoriaEly (cs101):  
    grade = 0  
    for assignment in cs101:  
        grade += 100.00  
    return grade
```

- make faces
- draw shapes
- speak pig latin
- play hangman
- make recs
