Laila Reed

Compsci101

Haiku's

While Loop Madness
 While true I pressed run
 The loop would not let me go
 Midnight still no end

APT Redemption
 Red then green at last
 Tuple keys strange but loyal
 Victory feels clean

 For vs While
 For loops know the end
 While loops drift in mystery
 Both can break your brain

Python Tutor
 Arrows everywhere
 Boxes pointing to boxes
 Now I see the truth

Online Quiz
 Boolean was false
 Quiz due at ten tomorrow
 I misread the time
