Guide to Keeping Track of Work

LABS

Labs occur once a week on Fridays and there is a required form to fill out by the next Sunday at 11:59pm. If you do not attend lab you must complete work for partial credit.

1

APTS

These are problems that are given in sets throughout the semester and can be submitted as many times as needed. They must be turned in on time by 11:59 pm the day they are due.

2

QUIZZES

Quizzes are to be done by 10:00am on the day of a lecture that have three attempts. There are also quizzes that are due before assignments that have unlimited attempts.

3

ASSIGNMENTS

Assignments are due 11:59pm on their due date and have a 24 hour grace period. They are to be submitted on Gradescope and can be submitted as many times as needed and take a lot of time.

4

WOTOS

WOTOS are done in lecture and involve peer instruction in the textbook that must be completed in class for attendance.
